

REMARKS

The specification has been amended to include the NCIMB deposit information. The receipts from NCIMB are attached. Claims 1, 7, 9, and 55 have been amended to state the NCIMB accession number. No new matter is included in these amendments.

Upon reviewing the Examiner's Amendment, Applicant noted that the Examiner indicated a comma was inserted after "2" in line 2 of claim 9. In the Amendment of October 1, 2004, line 2 of claim 9 recites "7". Applicant spoke with the Examiner on January 25, 2005 about this change. The Examiner indicated the change in number from "7" to "2" was inadvertent and advised Applicant to amend claim 9 with the correct number "7," insert a comma after it, and explain the change in the Remarks section of this 312 Amendment.

Applicant respectfully requests entry of the foregoing amendments to the specification and claims.
